Let's Hear It For Leverett's Chapel High!

Foreword

LCHS is a mixture of the joyful and the sad, the good times and the bad. It has reached its present stature through grace and dignity. There have been many rough and threatening times, but its goal has always been kept in mind. That goal is education - a heavily traveled pathway.

Our faculty and administration help guide us through this pathway. We, the annual staff, upon graduation, will take a part of LCHS with us. But more is left than taken; and with that, we present you the 1975 LION.

In Gratitude To A Dedicated Sponsor

In sincere gratitude and appreciation, the annual staff wishes to dedicate this page of the 1975 LION to Mrs. Janis Hodo, our devoted annual sponsor for her dedicated work and devotion. We wish to thank her for her ingenuity and concern in helping us with the annual last year and the beginning of this year. Due to illness, Mrs. Hodo had to take a leave of absence and was unable to be here, but we know her thoughts were with us. We hope the future annual staff will have her warm smile and guiding hand.

In sincere thanks,

Forming the front line of the 1974-75 Lion band are left to right, Marsha Mobley, freshman; Gwen Cobb, junior; Drum Major, Sherry Clark, junior; Patrice Dean, freshman; and Lana Pepper, freshman. These girls worked hard and led the band through an exciting year of activities.

In November, the band participated in the UIL Marching Contest held in Longview, Texas. Here the band received a second division rating. We think this was very good considering the number of students we lost.

At Christmas, the band was invited to Natchitoches, Louisiana, to the annual Christmas parade. This was a great honor and thrill for the members of the band. The band also participated in the area parades at Overton and Kilgore.

In the spring, the band will participate in the UIL Playing Contest, we wish them luck.

Drum Major, Sherry Clark.

LATRESSA WORD

With common goals and longings, we laughed, we played, we won. Those were our school days, our happy days. They were real because we made them real. They existed because we were alive.

And then, as suddenly as they had dawned, they faded into the less carefree days of adulthood. And finally they are now gone . . . those happy days of school.

Where Are We Going?

Around the corner are the unknown days of tomorrow. Who knows the future that they will bring?
